Record the PRO and date ahead of arrivals. As racers arrive, record their sail number and the name of the skipper and crew below. Before each race record the course to be sailed. During each race, record above the place number of each boat as it crosses the finish line, and record the status (DNS, OCS, DNF, DSQ) of boats the were not credited with completing the race. After each race make sure all of the boats and place numbers are accounted for and that the course has been entered.
